The poetic verses taken from a poem of Rabindranath Tagore

Concept & Direction

Shuvashis Sinha

The concept portrays the new ray of arising from the darkness of reality. Shuvashis Sinha tried to blend the folk flute-tune of Bangladesh, the soul-touching and heart awakening versa of Noble lariat Rabindranath Tagore and the traditional tune of ethnic community Manipuri. In performance design Shuvashis Sinha tried to use poetic body movement, Manipuri mudra and rhythm and theatrical modern gestures.
