ASSITEJ China made a special video for World Theatre Day with the theme "Theatre has Great Power". We would like to send it to you, and share it with all the people, especially the young audiences.

It is destined to be lonely on the World Theatre Day this year. Because of the global outbreak of COVID-19, theatrical artists cannot meet with the audiences in the theater. We can only stay at home for the moment

On this special day, Chinese theatre professionals for young audiences gather online, to speak for theatre and deliver the power of theatre. We wish every child in the world can have the power, tenacity, and courage to face disasters, as well as love, kindness, and compassion."

今年的世界戏剧日注定是寂寞的。因为新冠肺炎的全球肆虐，戏剧人不能与观众相聚在剧场，我们彼此暂时只能驻足在家。在这个特殊的日子，中国儿童戏剧人齐聚“云端”，为戏剧发声，传递戏剧力量。希望全世界每一个孩子都能收获面对灾难时的坚韧、顽强和勇气，还有友爱、善良与悲悯。
